Colombo.

Hon. Sir,

Appointment of New Commissioner General of Inland Revenue

We are pleased to inform you that the appointment of Mr. S. Angammana, who was the most Senior Deputy Commissioner of this Department, as the Commissioner General of Inland Revenue, with effect from 9th March 2008, has resulted in the entire Staff of the Department being extremely happy and satisfied.

We believe that your giving a patient and concerned hearing to the voice raised and the agitations of the Joint Trade Union Front of the Department against the arrangement for an unreasonable and wrong appointment to be made, and the interest taken and the co-operation and assistance rendered by you in several ways, led to the achievement of this victory.

We hereby offer our gratitude for the co-operation that was extended by you.
