30th April 2003

Her Excellency Chandrika Bandaranaike Kumaratunge,
President of Sri Lanka,
President's House,
Janadhipathi Mawatha,
Colombo 1.

Your Excellency,

Violation of UN Security Council Resolution 1373

I refer to my Letters dated 17th April 2003 and 21st April 2003 forwarding to Your Excellency, for warranted actions, copies of the following, in relation to the Inland Revenue (Special Provisions) Bill, purportedly passed by Parliament;

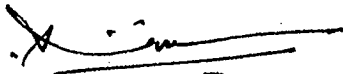

- i. Fundamental Rights Application under Articles 17 & 126 of the Constitution
- ii. Bill Challenge Application under Articles 121 & 78 of the Constitution

Subsequent to further examination, I wrote Letter dated 25th April 2003 to the Hon. Minister of Defence, with copies amongst others, to Your Excellency, pointing out the violation of the United Nations Security Council Resolution 1373 of 28th September 2001 in relation, *inter-alia*, to the funding / financing of terrorist organizations / terrorists / terrorist activities, Regulations, as mandated by the said UN Security Council Resolution, having been published, as per Gazette Extraordinary No. 1206/14 of 16th October 2001.

I enclose for Your Excellency's kind attention and necessary action, 2 Motions and Affidavits in relation to this grave and serious matter I filed in the Supreme Court yesterday in both the above Applications. The Applications are expected to be listed for hearing shortly.

As per my Affidavits, I have stated that the said Bill would pose a threat to national security and the sovereignty of the country and be inimical to the interest of the country.

Yours truly,

Nihal Sri Ameresekere

PS: I also intent to make representations to the United Nations, US, UK and Indian Governments.
